

OFFICE OF THE SUPERINTENDENT

May 1, 2018

Shelley Paulus
District Student Leadership Team Member
Elphinstone Secondary School

Dear Shelley:

I would like to thank you for your active participation on the District School Leadership Team. As one of two students chosen to represent your school on this district committee, you did a great job of contributing the thoughts of your fellow students, debating the pros and cons of various initiatives and providing support to your student trustee. The team had many discussions and learned a lot more about the district and other schools.

I have enjoyed working with you on the District Student Leadership Team and wish you the very best in your future!

Sincerely,
